S C H O O L

March 14, 2020

Dear Parents and Staff of Challenger Students Attending Idaho and Texas Campuses,

I'm writing to inform you that school is in session as usual at all Idaho and Texas campuses.

Because of recent developments with COVID-19 in California, Nevada, and Utah, we have adjusted the schedule at those campuses for the next two weeks. **However, those changes do not apply to you.** If conditions change in your area, we will reassess.

Know that we will continue to rigorously clean and disinfect our campuses to help ensure they are as safe and clean as possible, and we will provide additional information as it becomes available.

Please direct questions to your campus administrator, and I thank you for your continued support.

Sincerely,

Hugh Gourgeon
CEO
