March 16, 2020

Dear Parents at all Challenger Campuses,

Due to directives and events that are out of our control, all Challenger campuses will be closed as of the end of business today. I realize this news complicates an already difficult situation for many of you, and I wish there were more that we could do. But keep in mind that we intend to open our doors again as soon as it is possible.

Tuition will not be charged until students return to school.

Even though we cannot deliver our regular product at this time, we will be providing opportunities for students to work, think, and create at home. We will provide details soon.

I look forward to the day when I can announce that our campuses are open so that we may again provide the unique education that we offer.

We will continue to monitor the circumstances and inform you of changes in this ever-evolving situation.

Sincerely,

Hugh Gourgeon  
CEO
