

CHALLENGER[®]

S C H O O L

March 17, 2020

Dear Parents,

I'd like to update you on a few items.

1) Credits coming to your account—Many of you have inquired about how accounts will be adjusted due to school closures. The March billing and payments had already processed before our campuses were closed. Your April payment will be reduced because charges for billable days between 3/16/20 and 3/31/20 will be reversed if your campus is still closed.

2) Student review packets—As early as tomorrow, you will receive a grade-specific review packet for your kindergarten through 8th grade child. Material for preschool students will be coming soon. Tomorrow's packet will be the first of several that you will receive over the next couple of weeks.

3) Changes to curriculum schedule—As we adjust our curriculum plans, we have decided to cancel the Speech Festival and Iowa standardized testing (except for 7th grade students who may require the testing score to apply for high school). Additionally, we are postponing midterms until two weeks after students have returned to the classroom.

We make these changes in order to maximize learning and to ensure that all key subject matter is covered by the end of the school year. Although we regret the need to cancel any curriculum events, we must make adjustments in order to keep students on track with their education. We will provide more information as it becomes available, and again, thank you for your patience and support.

Sincerely,

Hugh Gourgeon
CEO
