Holladay and Salt Lake parents meet at Salt Lake Campus
(1325 South Main Street, Salt Lake City)

Preschool, kindergarten, and first grade parents, please join us!

Challenger teaches children to manage their behavior and make good choices. Learn how you can use the same effective methods at home!

Our Managing Child Behavior Workshops are offered at no cost to you and are designed to help parents:

- develop confidence in establishing and enforcing behavior guidelines.
- equip children with the behavior management skills that will prepare them for a lifetime of success and happiness.

We'll have some helpful resources available for purchase at the event.

Childcare will be available on campus for children 2 years, 9 months and older. Cost is only $10 per child. Stop by the office today to reserve a spot for your child.
