

We welcome parents and families to visit our Science Fair presentations during the times shown below.

Parents of kindergarten through grade 2 students are invited to watch a demonstration in their child's classroom while parents of grade 3 through 5 students can walk through the fair and view individual projects.

Feel free to ask students questions about their projects. They will be excited to share with you what they have learned!

## Harwood Campus Schedule

Class	Teacher(s)	Where	Time
