Create a PowerSchool Parent Account

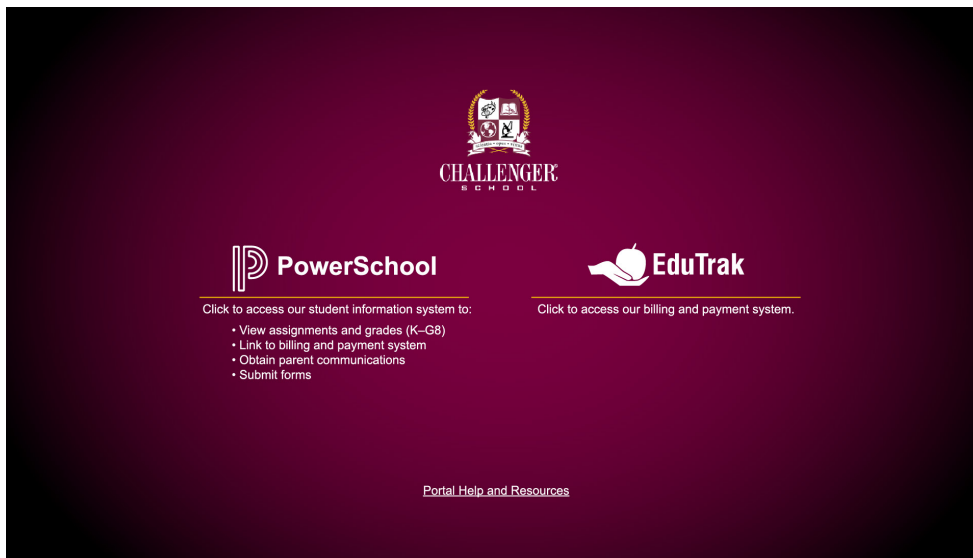

These instructions will help you set up a PowerSchool parent account. Since PowerSchool displays student grades and attendance, only parents and guardians of Challenger students will be allowed to create an account. Note that student accounts are not available at this time.

To set up an account, you will need the access ID and password that Challenger provides.

To create a PowerSchool parent account, from our website, click Parent Portal.

Then click the PowerSchool logo.

Click Create Account.

In order to link your child to your parent account, enter the access ID and password that you received from Challenger. The access codes are child-specific and will need to be entered for each child you are linking to. If you do not have the access codes, contact your campus office.

Next, select your relationship to the child and click Enter at the bottom of the page.
